

*This is a course about vision.
The same vision which empowered
Jesus to live His life with joy,
hope and single-hearted passion.
This course explores that vision
and will help you respond to
Christ's invitation to live for the
same purpose and significance
He did.¹*

Perspectives™ On the World Christian Movement

God's Global Purpose will lead you on a voyage of discovery...a voyage that traces God's global redemptive strategy for all mankind from its beginnings in Eden to its conclusion around the Great White Throne in the book of Revelation.

God's Global Purpose will help you understand God's plan for our world—and for your life—as you explore the following topics:

BIBLICAL: God's unchanging purpose for the nations

HISTORICAL: Expansion and pioneers of the Christian Movement

CULTURAL: The Gospel and cross-cultural communication

STRATEGIC: What are “un-reached people groups” and why are they so important to complete God's eternal purpose?

God's Global Purpose is designed to encourage the implementation of its contents in your daily life. You will discover what God is doing in the world, and consider your part in His plan.

Throughout Jesus' life, His purpose was to bring about God's glory. His vision of God's glory focused His life. It filled His daily affairs with immense significance.

The point of this course is not to persuade you to become a missionary. Neither is it to train you in skills you need to serve as a missionary. The point is to expose you to many of the practicalities and challenges and to *set you on a path of ongoing learning to play your part in God's kingdom wisely and well.*

The primary idea is that we want God to fulfill His purposes for mankind. We are not called to perform dull religious duties. God desires that we *lead lives of huge significance.*

We are convinced that God has a “world-sized” role for every Christian in His global purpose. Whether people go to distant countries or stay at home is a secondary issue. The primary issue is what people are hungry to discover: a vision to live a life of purpose. *Discovering that vision makes this course valuable, and perhaps crucial, for any Christian.*
